ODIN

Odin is an absolute alpha who thankfully loves to work, but is also a love bug who can't get enough of the fireplace, his Nana, the Patriots, and hiking through the New England woods. We adopted the feisty one of the litter - and he certainly is! His stunning good looks come from a true melting pot of breeds; the finest mutt mix. Adventure ready, he has already explored 10 states in his short 7 months and we are excited for our adventures together yet to come!

KUBOTA

Kubota is a playful, adventurous, and energetic pup who loves to explore! Hiking with friends, jumping over the couch, frolicking through the grass, playing with his brother Sparky, begging for treats, and attempting to swim are just a few of his favorite activities. He is one of the best cuddle buddies around. Glad to have him as a hyper, yet lovable companion.

ZOE

Zoe (Fiona) is a lab/terrier mix who never fails to bring a new laugh every day. She loves car rides to the park and shaping herself into any spot possible for the perfect snuggle. From her first days of falling asleep while standing because she was too scared to relax in a new place, to now welcoming us at the door in the wiggliest way and lounging everywhere and anywhere. We are so proud of this little girl and how far she has come. We are so thankful for SOS for bringing this goof into our lives.

He is smart, demands to sleep on everyone's bed and his best friend is Oreo who is a senior dog. He is afraid of the groomer but is bold when his friend Oreo is by his side. He loves the beach.

NOVA

Nova is a Spaniel/Terrier mix that we adopted from SOS in August 2018 when she was 3 months old. She is full of puppy energy, loves to play and loves to snuggle with you when she sleeps (which melts my heart). Nova has spent time in puppy classes / play groups and seems to really enjoy learning so many new things. She is a true joy to have and I am happy to be able to give her a home filled with love and much happiness. Thank you to everyone at SOS that helped this happen - what a wonderful group of people to work with. We are thankful for all that you do!

CALI

Cali is a playful 4-year-old lab/pointer mix. She lives with her mom and dad in Providence. Her favorite activities include chasing squirrels, snoozing on the couch, climbing snow mounds, hiking, walking the boulevard, and cuddling (she's a snuggle monster!). Her favorite trick is giving her dad high fives. Face kisses are also non-negotiable. Cali thinks her best asset is her polka dot ears, but her parents think it's her loving personality. If you had to describe Cali in one word, it would be loyal.

HELP US SAVE LIVES BY FOSTERING!

A foster home is a temporary living situation for pets while they are awaiting placement in a permanent home. Foster families provide shelter, food and love. The number of animals we can save depends entirely on the number of people who open their homes and hearts to foster them.

Daphne – broken ankle rehabbed in and adopted from foster

BluBourbon – adopted after 360 days in foster care with SOS!

Pebbles – foster care nursed this girl back to health from parvovirus and she got adopted

Bailey Bree –her fosters gave her the time she needed to find a home (5mos)

Did you know?

- *Save One Soul is entirely foster-home based; we do not have a boarding or kennel facility.*
- *Since our founding in 2014, over 2,500 dogs have found their furever homes after being in the SOS foster care program*.*
- *SOS covers all the medical and training care for its foster dogs at no cost to our foster homes.*
- *We also provide food, toys and other supplies as donations allow.*
- *We also arrange for sitters if fosters need a break while fostering.*

**SOS partners with established animal rescue groups in AR, TX, TN, and MS, leveraging their boots-on-the-ground resources to save more lives.*

Can't foster? Volunteer or donate!

We are always looking for **volunteer help** with:

- *Adoption Counseling*
- *Event Support - dog handling, welcome table, etc*
- *Administrative Support - eg, data entry, bookkeeping, e-filing*
- *Dog Enrichment & Support – eg, dog walking, sitting, dog taxi*
- *Marketing Support, Photography, Graphic Design*

Donate

Every donation counts - whether it is monetary or in-kind – and goes toward helping great dogs realize their full potential and find their furever homes.

SOSARL is an approved tax-exempt Public Charity under section 501(c)(3) of the Internal Revenue Code; your donation is tax deductible.
