SPONSORSHIP 2018

ALONE WE CAN DO ONLY SO MUCH.
TOGETHER WE CAN DO SO MUCH MORE.

ABOUT SOS

We are a **volunteer-driven and foster-based** charitable organization supported by donations and grants.

We partner with established organizations who **rescue dogs locally and from across the nation** from no kill and high kill shelters, puppy mills, and owner surrenders.

We provide **comfort, rehabilitation and veterinary care** for animals in our program.

We **promote and support life-saving initiatives** that enable responsible pet guardianship while treating each animal and adopter as an individual.

We follow **strict vetting protocols** to help ensure our dogs are healthy and ready to succeed.

We are a **501c3 tax exempt organization,** incorporated in the **State of Rhode Island**, and comply with all animal importation and rescue regulations.

We work with **experienced dog trainers** to help ensure that we understand our dogs and match them into the right homes.

We've designed our adoption process to help find the **right match for each dog and each home**, carefully considering each dog and adopter as an individual.

Since our founding in 2014, we have **placed more than 2000 dogs in loving forever homes**, and have supported many spay/neuter surgeries, preventing thousands of unwanted litters.

OUR PROGRAMS

Pet homelessness and euthanasia is a complicated issue, and there is no silver-bullet solution. We are committed to programs that support a No Kill Nation:

ADOPTION AND OUTREACH EVENTS
ADOPTION SUPPORT
DOG CARE & ENRICHMENT
VOLUNTEER ENGAGEMENT & EMPOWERMENT
GRANTS TO OUR PARTNERS
POLICY MAKING
BREAK THE CYCLE – SPAY/NEUTER PROGRAMS
EDUCATE ON RESPONSIBLE PET GUARDIANSHIP

OUR PHILOSOPHY

SOSARL is founded on the principles of compassion, respect, trust, hard work, and transparency. We are able to help the animals we do because of our amazing northern volunteers, southern partners, and generous donations. We are committed to rescuing those dogs we can help today, as well as those who will need help tomorrow, and always striving for continuous improvement. We comply with all regulations, and we are careful to consider each dog and adopter as an individual, as well as part of the bigger picture.

WHY ADOPT

YOU ARE SAVING LIVES.

Not only are you giving a permanent home to a dog in need, you are making room in our program to help another at-risk dog.

YOU WILL CHANGE A HOMELESS DOG'S WHOLE WORLD.

You get just as much love (if not more) from an adopted dog and you will have forever changed that animal's world.

YOU ARE SAYING NO TO DOG CRUELTY.

By adopting, you are using your power of choice to help fight puppy mills and for-profit breeders that thrive on short-changing the welfare of animals.

YOU HAVE MORE CHOICES.

Puppies are cute no doubt, but also a handful. When you adopt, you have the choice of many ages, sizes, temperaments, and looks.

YOU ARE GETTING MORE FOR YOUR MONEY.

Based on the well-established principle of "hybrid vigor," a mixed-breed dog is likely to live longer and cost less in vet bills than a pure breed.

YOU JOIN THE SOS FAMILY.

We support you throughout the entire adoption process as well as after, helping to ensure that you have the resources you need to succeed with your new buddy and remain part of our community.

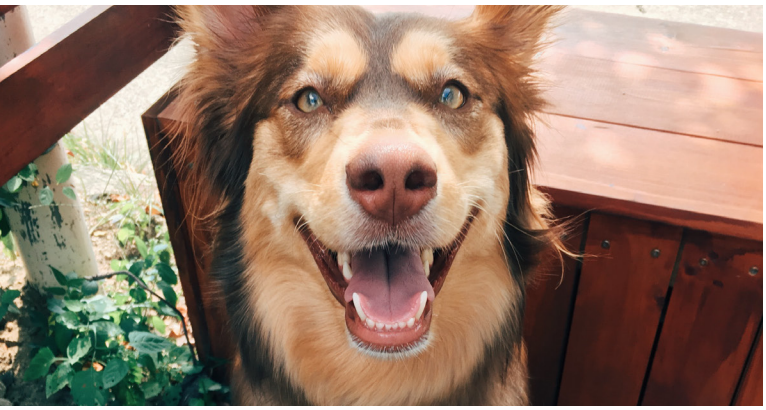
SOME OF OUR HAPPY TAILS ADOPTION STORIES



Daphne

We got Daphne when she was ten months old and still had a leg injury. We fell in love with her right away at the meet and greet even but she also chose us. She kept coming back to us among all the other people. We knew that we wanted her, limp and all. After much physical therapy and home exercise Daphne's limp was no more! Now she loves to swim and run and play tug; and she brightens the day of everyone she sees on the streets in Providence. She has become a part of our family that we can't imagine living without.

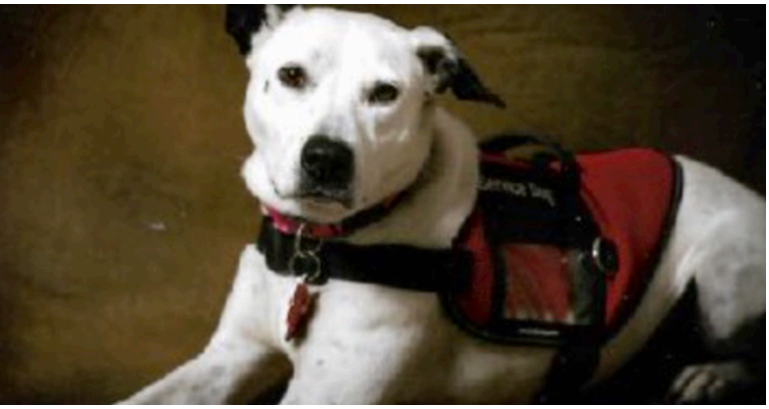
Phoebe

Hi All! It's me, Phoebe! (fka Molly Velvet) It's been a while since I last checked in so I figured I would do so now. Life is going pretty well here, Mom keeps me pretty active! I even convinced her to subscribe me to monthly Barkboxes! Some faces you just can't say no to! Mom's roommate especially falls victim to my cute puppy dog faces. I finally maxed out growing, I'm a whole 33 pounds! Mom takes me everywhere, we are two peas in a pod. I hope all is well with you, I am really thriving here! Thank you for my forever loving family!



Lilly

My name is Lilly and I have been in my forever home for about 2 years. I was adopted because my human was a young man suffering with some mental health issues and his family wanted to look at alternative methods of treatment. When I met my boy and family it was love at first sight! I worked hard and was trained as a psychiatric service dog and I am so proud to be able to do such an important job. I am so good at it that I now go into schools and youth groups and help teach young people about suicide prevention and mental health awareness. I love that I can help so many people and my family loves me so much!

Puck & Ellie

There is no better feeling than bringing a rescue dog into your house, and watching them grow and settle-in, and realize it's their new home. SOSARL has allowed us to do this twice by bringing Puck and Ellie into our lives, and we will forever be so grateful.
